OU SASE Sponsorship Package

Prepared by
SASE Executive Team

To whom this may concern,

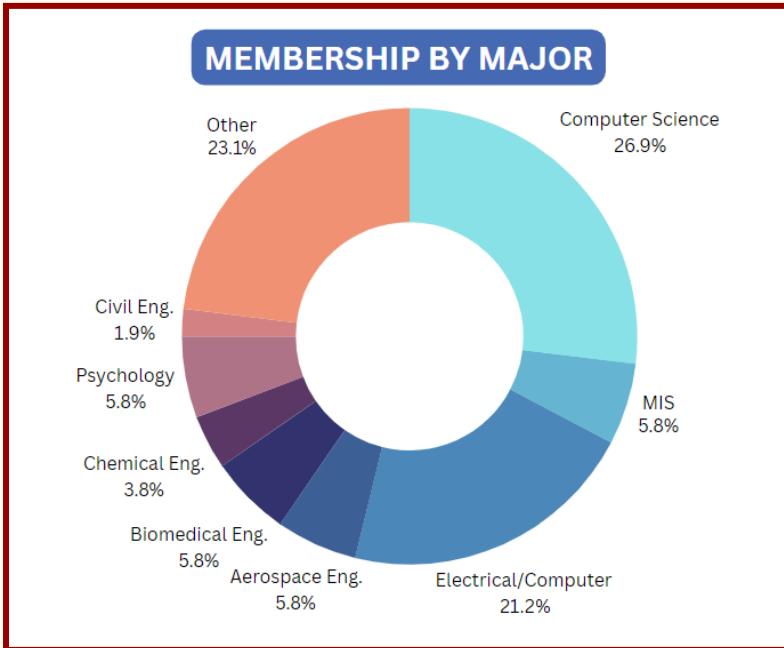

We are the Society of Asian Scientists and Engineers here at the University of Oklahoma. As one of the largest Asian-interest and STEM-focused organizations on campus, we celebrate Asian culture with our members who come from diverse STEM and cultural backgrounds. Our goals are to cultivate professionalism, develop cultural awareness, and serve our local community.

Our mission is to provide our membership with the knowledge, experience, and connections necessary to entering the professional world. Diversity-focused organizations such as ours serve a niche but crucial role on campus. The majority of our members are 1st and 2nd-generation students, along with a growing number of international students. OU SASE builds that supportive community and safe space for individuals with these shared experiences.

Thank you

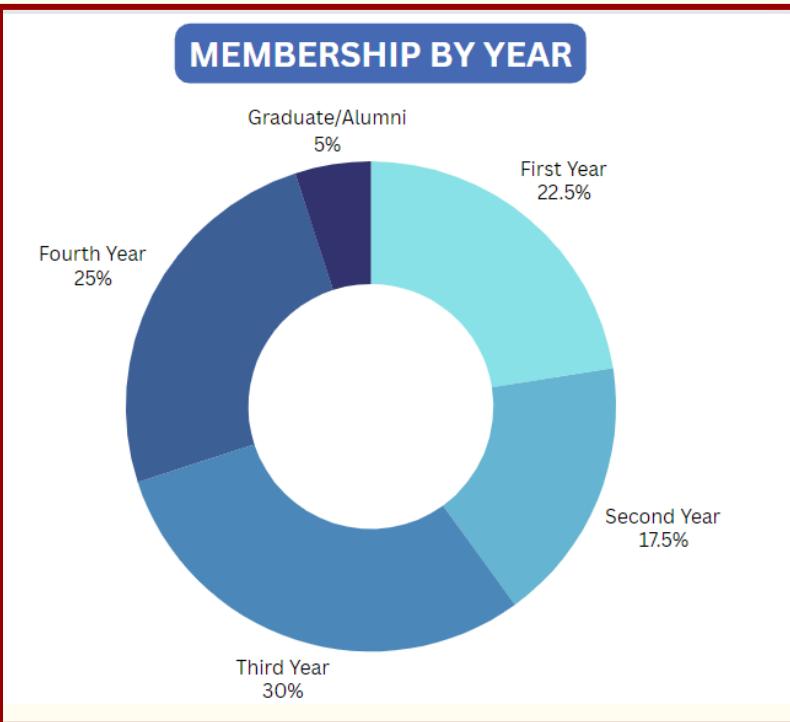

- ❖ Your generous support will enable us to expand the opportunities we provide our members while offering your company access to well-prepared potential recruits and increased recognition on our campus. We extend our sincerest gratitude to new partners for taking an interest in our organization and look forward to collaborating with you. To our returning partners, thank you for your past support, and we hope to continue our valued partnership.

Future Goals Interns Project

Project working with a representative of the state of Oklahoma to raise awareness for policies related to engineering. Secondary project on engineering students outlook on policy and how to communicate to policy makers effectively

25% ↑ in Internships

Building out better support for intentional professional application of what we learn. (50% for exec-board)

Volunteer Events

4 mandatory events. More non-mandatory as well. Kaleo Foundation, ILNA, OU Food Bank, Calm Waters, Senior Homes, Integris Hospital

Events

GENERAL BODY MEETINGS

Throughout the school year, we will hold General Body Meetings (GBMs). These meetings allow members to receive SASE activity news, connect with peers, and network with professionals at the event. These professionals provide students with their personal experiences, information on their own respective companies, and professional development advice.

Cost Information

Item	Average Cost (\$)
Food and Drinks (50+ people)	\$400
Total (x 8 meetings)	\$3200

Technical Talks

Company representatives present a specific technical topic for students to learn and openly discuss. These meetings are different from a general meeting because it exclusively focuses on an individual corporate sponsor and provides the opportunity to spotlight their company. These events help expose our membership to a wide variety of career options.

Cost Information

Item	Average Cost (\$)
Food and Drinks (50+ people, along-side representatives)	\$500
Total (x 3 meetings)	\$1500

What You Would Be Supporting

Networking Events

Networking events allow OU SASE the opportunity to promote chapter unity. Major social events are held twice per year with various professional and cultural organizations. Minor social events are held throughout each semester and usually include dinners, a hiking trip, bowling, or going to a popular entertainment venue. Related fees may include food, drinks, transportation, and admission..

Cost Information

Item	Cost (\$)
Major Professional event	\$300
Major Cultural event	\$500
Minor social events (25+ people)	\$150
Total	\$750

National Conference

The SASE National Conference will be held on October 1st-4th, 2025, in Pittsburgh, Pennsylvania. It will feature keynote speakers, professional development workshops and panel discussions from attending companies, and a STEM career fair with over 70 companies. This event is an opportunity to network with members, leaders, and company representatives from across the nation.
